

Explorer

The Explorer is a four-wheel scooter with a 300 lb. weight capacity. The unit comes standard with a deluxe captain's seat that can accommodate most users. It has an adjustable tiller for added user comfort and a front head light for added convenience for evening operation. The 10" pneumatic wheels give the unit a 3" ground clearance for operation on multiple terrains. The Explorer also features a built in USB charging port, and cell phone storage pocket.
